## Introduction

The Genesis Parent/Student Portal tool is a safe, secure way to view your child's school record for the current school year. If your school district chooses, you **may** have access to the following information:

- Contact Information (email, phone numbers, emergency contacts) for your children
- Your Marking Period, Exam and Final Grades
- Your Report Cards
- Your daily attendance record and possibly class attendance records (if your school uses class attendance).
- Teacher Gradebook assignments and assignment grades for your classes.
- Your course requests or possibly their schedule for the next school year.
- Your standardized test scores (e.g. NJ ASK)
- Your discipline records
- Letters sent to your parents/guardians about you:
  - o General Purpose letters
  - o Attendance Letters
  - o Discipline Letters
  - o Scheduling Letters
  - o Fines/Fees Letters
- Documents that have been uploaded into your record.
- Online questionnaires or forms.

The rest of this manual will guide you through all of the screens which may be available to you and how to use them. Please be aware that you may not see every screen listed in this document. The school district chooses which screens can be made available. Screens may not be displayed if they do not apply to you personally.

## Logging In & Logging Out

### Logging In

Logging into Genesis is very simple:

1. Go to the Web Access URL supplied with your district welcome packet.
2. Enter your Email Address in the '**Username**' field
3. Enter your Web Access password in the '**Password**' field.
4. Click the '**Login**' button

### Logging In for the First Time

The very first time you login you will be required to change your password.

### What if I forget my password?

Right next to the Login button, you can find a "Forgot My Password" link:

If you forget your password, click the [Forgot My Password](#) link, if it is present. If it is not there, you must contact your school or district office. The information may appear on the screen where you see the fake information on the example screen above:

**WEBSITE: MySchool.MyDistrict.com | EMAIL: WebAccessHelp@myschool.com | HELP DESK: 999-999-9999**

If that information is not there, you should have received information on where to call with your district packet. You will be given a new randomly generated password. The new password might even be mailed to your email account. The first time you login with your new password, you will be required to change it.

### Logging Out

**It is important to log out of Genesis Web Access properly:** It is important to log out of *all* web applications properly.

To logout, locate the **Log Out** button in the upper right corner of every screen and click it:

The screenshot shows the 'Parent Resources' page for a student named Caitlin Daily. The top navigation bar includes links for HOME, STUDENT DATA, CONTACTS, PAYMENT, SETTINGS, and LOGOUT. A blue callout box with a white border points to the LOGOUT button, containing the text: "To logout, click the Log Out button in the upper right corner of the screen." Below the navigation bar, there are tabs for Summary, Assessments, Attendance, Grading, Discipline, Gradebook, Scheduling, Documents, Forms, Conferences, and Letters. The main content area displays the student's profile, including a photo, name, school, student ID, state ID, and grade (12). A table lists the student's current courses, including US History 2, Calculus AP, Woods Tech 1, English 4 AP, Lunch, Physics Honors, PE 4/SCI, and Spanish 4. Below the course table is a bus schedule for Friday.

When you click the logout icon you are immediately logged out:

### Why log out? Why not just close or “nuke” the browser?

Closing the browser without logging out leaves your session open on the Genesis servers. This creates a security hole that only you can close: **Be secure, always log out properly.** In this era of Internet access, it is important to always properly close your sessions so that unauthorized persons cannot gain access to your information.

**This applies not only to Genesis, but to every Internet/Web application you use.**

### Switching from English to Spanish

There is a [Cambiar el idioma a español](#) button at the lower left corner of every screen. To switch to Spanish, click this button. It then changes the language of the Parent module to Spanish. The button itself changes to [Change language to English](#). Click this to return to English.

### Genesis Student Access Data Summary – Student Dashboard Screen

When you login to Genesis Web Access the first screen you see is your Student Data Summary. This is the student’s Dashboard screen. You will see a ‘dashboard’ of your information.

Your ‘dashboard’ contains the following information:

- Basic information about you: **student id, homeroom, grade, age**. If you are viewing the screen during the school day, you will also see information about the class you are in ‘right now’: **current class, current teacher and current room**.
- Your schedule. The class you are in ‘right now’ is highlighted in green.
- Your attendance summary for the current week – this shows you a color coded attendance code for each of the week.
- Assignment summary for the current week – how many are due each day
- Optionally, your bus assignments may be displayed.

**One Student’s Dashboard of Information**

**Top Tabs**

There are four available dark blue “top tabs”. You may not see all of them, depending on which screens your district has enabled. The four include:

- **HOME** – This is where you set up your user profile and access the “Message Center” which provides up to the minute messages about your students.
- **STUDENT DATA** – This is where you can see your information. The first screen you see when you click on the **STUDENT DATA** tab is the “Summary” dashboard.
- **PAYMENT** – If your district has chosen to allow online payment of fees through Genesis, the Payments tab will be present. If not, it will not be there.

**More Information About Each Student**

The ‘Summary’ screen displays your dashboard. The other light blue tabs give you more information about other parts of your student record.

This is your Daily Attendance summary for the whole school year.

- The Attendance Calendar with each day color coded
- A summary of the student’s Attendance for the year
- The ‘Legend’ of Attendance codes for your school district.

### Attendance Color Codes

Your district selects its own set of Attendance codes and selects the color for each one. When you look at this screen you will see the Attendance codes for **your** school district. Common Attendance codes include:

- Unexcused absence
- Excused absence
- Unexcused tardy
- Excused tardy
- Left early
- Field trip

## Class Attendance

If you are in Middle School or High School and rotate through course sections, Class Attendance may show you your attendance for each separate subject. You must click the **CLASS ATTENDANCE** tab under **Attendance** to find class attendance. If this button does not appear, your child’s school does not record individual class attendance.

The screenshot displays the 'Class Attendance for the Month of March' interface. It features a grid with columns for 'DAY', 'DATE', 'DAILY ATTENDANCE', and several subjects: 'US HISTORY 2', '\*CALCULUS AP', 'WOODS TECH 1', '\*ENGLISH 4 AP', '\*PHYSICS HON', 'PE 4/SCI', and 'SPANISH 4'. The 'DAILY ATTENDANCE' column shows codes like 'A' (Present) and 'AB' (Absence). A legend at the bottom right defines the codes: 'Present' and 'Absence'.

The Class Attendance screen shows you your Class Attendance summary for each of your subjects. One month is displayed at a time and the screen always starts by showing you **the current month’s attendance**. You may select any month you wish.

- Class attendance is listed by each school day in the month and shows which classes you may have missed on each day. Each day for each subject is color coded.
- The ‘Legend’ of color-coded Attendance codes for your school is shown at upper right.
- “Today” is always highlighted in yellow (e.g. above 11/21/2008).
- Along the right side of the screen there is a separate summary for each subject for the entire school year, divided by Marking Periods.

The Grading screen contains lots of information and a link to your current report card. The numbers below each grade are the comments you have received for the Marking Period. Place your cursor on a comment number and the corresponding text is highlighted in yellow – the text of the comment is also displayed in a Tool Tip. A link to the current report card is at the top of the screen and links to email teachers may appear below the teacher’s name.

### The Grading Screen

This screen summarizes your Report Card grades for the current year.

The current Marking Period is highlighted in green.

Each box shows the grade and comment codes that your student has received in the corresponding class for the selected Marking Period. If you place your cursor on a comment code (e.g. 03), the corresponding comment will be highlighted (e.g. 15 Follows Directions Well). In addition, the text of the

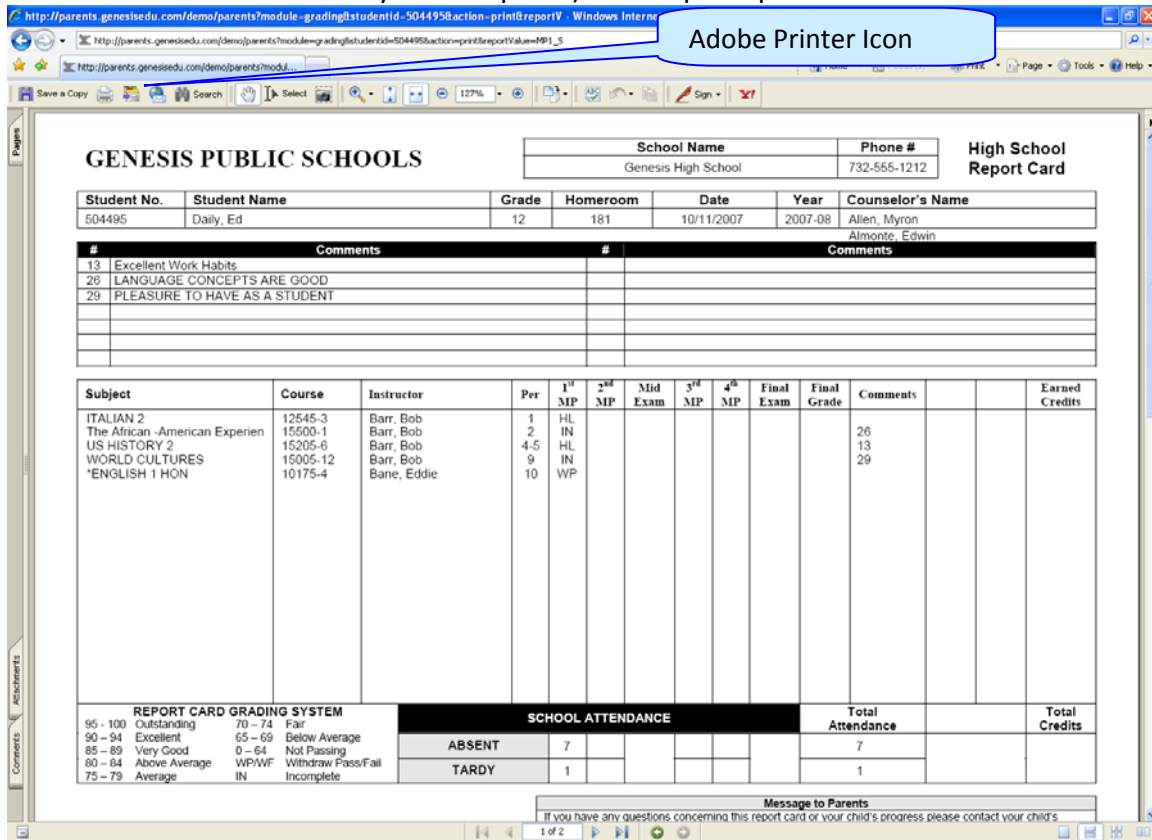

comment will appear in a tooltip (e.g. Follows Directions Well).

In addition, as outlined below, you can access and view your student’s most recent report card.

### Viewing Your Current or Most Recent Report Card

If you are able to view your actual report card, a [Please click here to view the MP1 form for Ed in Genesis High School.](#) message will appear between your name and your list of grades:

If this message appears, click it to view the actual report card displayed in Adobe Reader (Adobe Reader must be installed on your computer). A sample report card is shown below.

Teachers have 4 "special" grades that they can give students for any assignment:

- **Absent** – You were absent on the date the assignment was due. This means you have a chance to make up the work: The assignment is not counted until the teacher changes the grade to a regular grade or to **Missing** or **Incomplete**. When a grade of **Absent** is changed to another grade, "Absent" appears in the **Prev** column. Something that "was previously Absent" was turned in after you returned to school following an absence.
- **Missing** – Your child failed to turn in an assignment or take a quiz or a test. When a **Missing** is changed to another grade, **Missing** appears in the **PREV** column. Missing is the most common special grade. A teacher's comment may accompany a missing. Something that "was previously Missing" was turned in late.
- **Incomplete** – You partially completed an assignment but did not finish it. When **Incomplete** appears in the **PREV** column, you have completed the assignment late.
- **Exempt** – You are not responsible for doing this assignment. It does not count for you. It is unusual for an Exempt to appear in the **PREV** column. Usually, when a student is explicitly exempt from an Assignment, they are not later given a grade.

Initially, these special grades appear in the regular **GRADE** column (e.g. **ABS**). When a teacher gives one of these special grades (e.g. **MI** - Missing) and then later changes it to another grade, the original, special grade

(i.e. **Missing**) is displayed in the **PREV** column on the List Assignments screen. Regular grades *never* appear in the **PREV** column – it is only for these special grades.

The teacher cannot clear the “previous grade”. It is always displayed to you. You might use this information to help understand why you may have received the grade you did (“the work was late”). For example, excellent work turned in late often receives a reduced grade.

## Viewing Teacher Comments

Teachers can enter comments on your performance that can be viewed through the List Assignments screen. ***If a teacher has entered a comment on an assignment, please take time to view it.***

## Downloading Attached Documents

Teachers can upload documents to assignments so that you can download these at home. The “documents” include such things as MS Word, MS Excel, PDF files, .wmv movies, podcasts and many other types of files. When one or more documents have been uploaded and attached to an assignment, icons identifying the type of each attachment appear in the Docs column on the List Assignment screen.

|     |          |     |              |               |      |   |  |  |     |  |   |
|-----|----------|-----|--------------|---------------|------|---|--|--|-----|--|---|
| MP3 | 3/6/2013 | Wed | US HISTORY 2 | Barry, Jack L | QUIZ | Quiz March 6<br>Quiz Pages 205-240, Do #'s 3, 7, 9-12 in preparation. |  |  | 100 |  |  |
|-----|----------|-----|--------------|---------------|------|---|--|--|-----|--|---|

If icons (e.g. ) appear in the “Docs” column on the right side of an Assignment line, it means that the teacher has uploaded files to the assignment and you may download them. There will be one icon for each file the teacher has attached (E.g.  means there is one MS Excel file attached). The shape of the icon indicates the kind of file that is attached (e.g.  indicates a PDF file that requires ADOBE Reader to read). You will need to have installed the right application to view each type of file.<sup>1</sup>

To see the description of an attached document, place your cursor on the icon:   (cursor is located on the  icon)

To download the file, double click on its icon. The content will be displayed in the central part of the screen.

<sup>1</sup> While teachers are encouraged to upload files in common formats, such as MS Word, there is no guarantee that you will always have the right application to view an attachment. If you do not, please contact the teacher.

### Viewing Next Year Requests, Recommendations and Schedule

The **Scheduling** screen shows you your course requests for the *next* school year (e.g. 2012-13 if this year is 2011-12), teacher recommendations, if there are any, as well as their “next year” schedule once one has been created.

There are three things listed on this screen:

1. **Your student's list of course requests for next year.** These can be printed out.
2. **The teacher a course was recommended by** – if there was a teacher recommendation. Teacher Recommendations will appear at the very bottom of the screen.
3. **Your actual schedule for next year.** Once your schedule for next year is ready, it will be displayed on this screen as well. This may not happen during the current school year. When the next year schedule is ready, you will be able to print it out as well.

### Printing Next Year's Requests

1. Click the PDF Icon next to the “list of requests” header:

Caitlin's Course Requests for 2013-14 

This brings up an Adobe PDF view of your course requests for next year (shown below). The printed report includes a “signature” line.

2. Use the Adobe Reader's print button to send the report to the printer.
3. You may be asked to print the request list, sign the set of requests and return the signed list to school. You may need to have your parent/guardian sign as well.

**Adobe PDF report of your student's next year course requests. Use the Adobe Print button to print this out.**

### Printing Next Year's Schedule

Your next year schedule will only be available once the scheduling process completes. This may not occur until after the end of the current school year. Scheduling is a long and complicated process. An empty or missing schedule simply means that your school has not yet completed the scheduling process and is not a cause for alarm.

1. Click the PDF Icon next to the "Next Year Schedule" header:

Caitlin's Course Requests for 2013-14 

This brings up an Adobe PDF view of your student's next year schedule.

2. Use the Adobe Reader's print button to send the report to your printer.

### Courses Recommended but Not Requested

The very bottom of the Scheduling screen may contain a list of courses that teachers recommended for you but which you decided not to request and not to take. Scroll down to see this list.

**2013-14 Course Recommendations for Caitlin which have not been Requested**

These courses have been recommended but not yet requested.

| COURSE | DESCRIPTION    | CREDITS | RECOMMENDED BY  |
|--------|----------------|---------|---|
| 12370  | *SPANISH 5 HON | 5.000   | Recommended By: Dilts, Rich<br>Current Course: 12364 - SPANISH 4    |

| 15315  | SOCIOLOGY      | 5.000   | Recommended By: Dilts, Rich<br>Current Course: 35210 - US HISTORY 2 |

This list will appear if a teacher recommends a course for you and you decide not to take the course. The course is then “not requested” so that it will not be scheduled for you.

### Making Next Year Course Requests

If your school allows, you may make course requests from the “Requests” screen:

# Conferences

The Conferences tab contains a list of conferences scheduled with school personnel (teachers, counselors, case managers) that have been made for you and/or your guardian(s). There are two controls on the bottom of the screen, which allows you to make or request additional conference appointments.

The screenshot shows the 'Conferences' page in the Genesis Parents Module 2.0. At the top, there are navigation tabs for HOME, STUDENT DATA, CONTACTS, PAYMENT, SETTINGS, and LOGOUT. Below these are sub-tabs for Summary, Assessments, Attendance, Grading, Discipline, Gradebook, Scheduling, Documents, Forms, Conferences, and Letters. The 'Conferences' sub-tab is active, and a dropdown menu shows 'SELECT STUDENT: Daily, Caitlin'. The main content area is titled 'Your Conference List:' and contains a table with columns for CONFERENCE DATE, TIME, SUBJECT, STAFF, and LOCATION. The table lists various conferences from 2012 to 2013, including 'College', 'Parent Meeting (Teacher Conferences 4)', 'Grades', 'December Checkpoints (December Parent Meetings)', and 'Parent Meeting (Teacher Conferences Round 2)'. Below the table are two buttons: 'Schedule conference for Teacher Conferences Round 2' and 'Request a Conference'.

# Scheduling Conferences

Clicking on the [Schedule conference](#) link brings up a screen where you select a time slot for each of your student's teachers and lock in your conference appointments:

The screenshot shows the 'Teacher Conferences Round 2' scheduling interface. At the top, there are navigation tabs for HOME, STUDENT DATA, CONTACTS, PAYMENT, SETTINGS, and LOGOUT. Below these are sub-tabs for Summary, Assessments, Attendance, Grading, Discipline, Gradebook, Scheduling, Documents, Forms, Conferences, and Letters. The 'Conferences' sub-tab is active, and a dropdown menu shows 'SELECT STUDENT: Daily, Caitlin'. The main content area is titled 'Teacher Conferences Round 2' and contains a grid of scheduling options for eight teachers: ALLEN, MYRON; AUTRY, AL; ANDERSON, MATT; ANTONELLI, JOHN; BARRETT, BOB; BAILEY, GENE; and BARRY, JACK L. Each teacher's column shows a grid of time slots for three dates (10/09, 10/10, 10/11) with options to 'Reserve' or 'Cancel' appointments. At the bottom left, there is a link 'Cambiar el idioma a español' and at the bottom right, the text '©Copyright Genesis Educational Services, Inc.'.

Each teacher or counselor has a column which will show all available slots:

Click OK to reserve the slot.

Once you have reserved a slot, all the remaining slots for that person will become unavailable.

You may only schedule one slot for each teacher or counselor during a “Teacher Conference” event.

You may only “request” an already available slot. Teachers who have slots available will have the slot times listed. You cannot request a conference for a teacher who has no available slots.

To request one of the available slots, click on the listed slot time. A list of that teacher’s slots for the selected **day** will be displayed. You can then choose one of the available slots.

# Payments

The Payment screen, when it is available, allows you to pay fees for your activities directly through Genesis Web Portal using your Amazon account to make your payments. You cannot pay fines through the portal. You must pay fines in person in school.

The Payment screen lists all fees:

The [Payment](#)→[Fees](#) screen showing a list of all unpaid fees for all students associated with your web access account

There are three screens that are part of the payment mechanism. The first is the “Fees” screen which contains a list of all fees owed by all your children.

**Paying Fees:** To pay one of the fees, either fully or partially, find it in the list of fees:

| STUDENT        | SCHOOL | GRADE | DESCRIPTION              | FEE      | INCURS A CONVENIENCE CHARGE | PARTIAL PAYMENTS ACCEPTED | BALANCE  | AMOUNT TO PAY             |
|----------------|--------|-------|--------------------------|----------|-----------------------------|---------------------------|----------|---------------------------|
| Daily, Bradley | 2002   | 09    | PRESCHOOL FEE            | \$100.00 | ✓                           |                           | \$100.00 | > \$ <input type="text"/> |
| Daily, Bradley | 2002   | 09    | AP Exam                  | \$75.00  |                             |                           | \$75.00  | > \$ <input type="text"/> |
| Daily, Ed      | 2002   | 12    | Sports and Activity Fees | \$75.00  | ✓                           |                           | \$75.00  | > \$ <input type="text"/> |

Click the  button to move the fee into the “Amount to Pay” field:

| STUDENT        | SCHOOL | GRADE | DESCRIPTION   | FEE      | INCURS A CONVENIENCE CHARGE | PARTIAL PAYMENTS ACCEPTED | BALANCE  | AMOUNT TO PAY                            |
|----------------|--------|-------|---------------|----------|-----------------------------|---------------------------|----------|--|
| Daily, Bradley | 2002   | 09    | PRESCHOOL FEE | \$100.00 | ✓                           |                           | \$100.00 | > \$ <input type="text" value="100.00"/> |

Optionally, you can enter a partial payment amount (e.g. \$50.00).

You can also enter payments for multiple fees. A total amount is displayed at the bottom of the list:

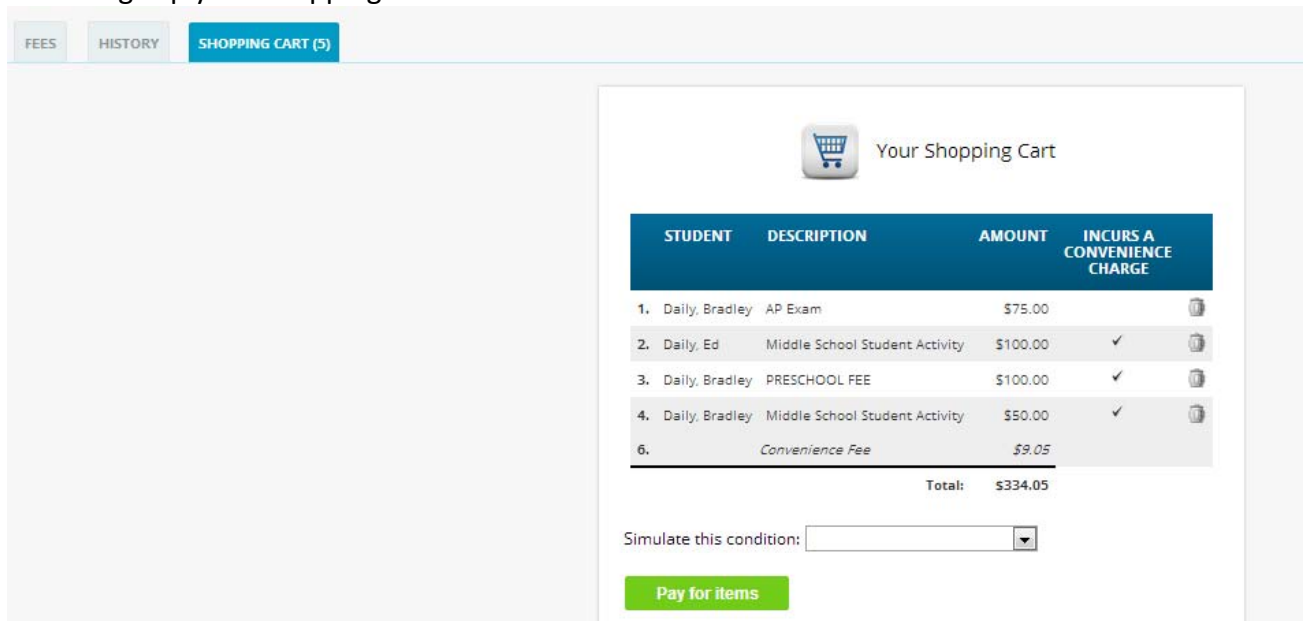

To then move the payments to your Shopping Cart, click the **Add fees to shopping cart** button below the list. You will be prompted to make sure you wish to do this:

To add the fees to your cart, click OK. Click Cancel to do nothing.

When you have put all the fees you wish to pay into the Shopping Cart, you may click the button. This brings up your Shopping Cart screen:

Clicking the **Pay for items** button takes you to Amazon.com to complete your transaction:

Use the Amazon payment control to pay for fees by credit card.

Amazon.com is the only way to pay. You must have an Amazon account setup in order to use this payment option.

The Message Center screen lists all types of messages for your students

### Using the Message Center

The Message Center provides a list of all messages received for you. Some of these may be linked to Documents or Letters.

### Anatomy of a Message

Each Message includes a date, an Icon identifying which module of Genesis sent it, the message itself and potentially an additional line of information and possibly View, Link and Delete buttons:

|        |  |  |  |
|--------|--|--|--|
| 5/3/13 |  | New document available.<br>NEWSLETTER MAY 2013 |  |
|--------|--|--|--|

- This is the "View" icon. If the View icon is present, clicking it will bring up the document or letter.

- This is the “Link” icon. If the Link icon is present, clicking it will take you to the screen containing the item related to the message. For example, if the Alert is about a document, clicking Link takes you to the **Documents** screen. If the Alert is about Attendance, clicking it takes you to the **Attendance** screen.

- This is the “Delete” trashcan icon. To remove the Message, click the Delete icon.

### Viewing the Message Content

If there is a  button, click it to bring up the document, letter or other content:

The screenshot shows a web browser window displaying a permission form. The browser's address bar shows the URL: `parents.genesisedu.com/demo/parents?module=mailbox&action=performViewDocument&studentid=105730&documentid=038E3FEDD0D94E71A63D5F31AD52C973`. The form content is as follows:

## Frequently Asked Questions (FAQ)

### 1. Where do I get my login?

Your Genesis Web Access login will usually be your email address. You will give the email address you want to use as your login to your school or district. The school or district will tell you when your login has been entered into the Genesis system.

If your email address is *not* going to be your login, your school or district will assign you a login.

### 2. What if I forget my password?

To replace a lost password you must call your school or district. Information as to who to call should be provided to you in your Web Access Welcome Packet.

You cannot be given your existing password: for safety reasons, Genesis never displays a user's password, *even to the system administrators*. If you lose or forget your password, you will be given a new, randomly generated password. You will then be required to change the new password the next time you login to Genesis Web Access.

### 3. What is the URL for Web Access?

You will be given the URL for Web Access in your Web Access Welcome Packet. If you do not have the Welcome Packet, you must contact your school or district to find out the correct URL.

### 4. How do I log out of Web Access?

There is a small "Log Off" button at the upper right of every Web Access screen. Click the "Log Off" button.

### 5. How can I update my Attendance information?

You cannot update any information. If you believe any information is wrong, you must contact your guidance counselor.

### 6. Is it ok for me to just close the browser rather than log off? Do I really need to log off?

Closing your browser is not the same as logging off. You *must* log off of Web Access to eliminate the possibility of someone else accidentally getting access to your student's information.

For example, if you are accessing Web Access from a public place, such as a library or other public internet access point, if you just close your browser and walk away, without logging out, there is a chance that someone else will be able to immediately reattach to your Web Access session and view your child's information. Logging off properly terminates the Web Access session.

*Always log off of Web Access – Never just close your browser*

### 7. What if I do not have access to all my data?

If you need access to a screen that is not linked to your Web Access login you must contact the appropriate people in your school or district office. Each district will have its own procedures and regulations regarding linking information to your Web Access login.

It may be possible that Web Access is in a 'roll out' phase and is only offered in some of the schools in your district and not in others. Refer to your Web Access Welcome Packet for information on whom or where to call.

8. What if I don't have access to my child's Report Card?

Usually a school only displays the most recent report card that was sent home. If the actual report card is not available online, it may be that none has yet been sent home or that the previous Marking Period's report card has been "turned off" so that the new Marking Period's report card can be prepared.
