Principal's Weekly Update

January 26, 2024

Dear Families and Caregivers,

Today we kicked off the Kids Heart Challenge with two American Heart Association assemblies (K-2 and 3-5) to introduce the program to our students. By participating in the Kids Heart Challenge, your child can raise funds to help kids with special hearts and make all communities healthier. They'll also learn about taking care of their hearts and participate in cardio-pumping challenges. Bullock has a chance to win PE equipment, and your child can earn fun thank-you gifts. Envelopes will be sent home next week, or you can use the QR Code below to register now.

February marks the beginning of Black History Month. This year, along with studying prominent leaders and influential people, we added information about outstanding black children who are making a difference in their communities and beyond. We will honor the past, celebrate the present and inspire the future throughout the month.

Next time you are at CHB, take some time to check out our "Waste Heroes" Gallery spearheaded by Ms. Woschinko, our environmental science teacher. The 5th graders came up with "Waste Heroes" to combat pollution, champion recycling and protect our earth. All of their ideas are showcased along the 2nd grade hallway leading to the cafeteria. Enjoy!

CHB's International Food Night: What an incredible event! Thanks to Jill Vengerik, Shelby Ebert, Benedetta Barnabo Cachola, Ari Measday, Jenna Sier, Kelsey Donoghue, and Colleen Hornung, the inaugural International Food Night was a great success, from the amazing array of dishes, to the huge turnout of CHB Families, to the Bingo fun with celebrity caller Assistant Principal Persad. We are looking forward to next year's event, but in the meantime, you can submit your special recipe to CHB Cooks Cookbook. Here's the link.
