

September 2023

Dear Incoming Fifth Graders and Families,

The fifth-grade team is excited about the year to come! We know that you are ready to embark on your last year at Bullock. Together we will make it your best year yet!

One of the biggest responsibilities this coming school year is that students are in charge of their own work, so they will need to be very organized. If you are not known to be organized, you are in luck because we're here to help you. Each day fifth graders are expected to come to class well-rested and prepared with school supplies, assignments, and a positive mindset.

Below is our 5th grade supply list. Supplies are for both individuals and the classroom in general. The classroom supplies will be organized, labeled, and prepared during the first few days of school.

We can't wait for school to begin! Enjoy your summer and we'll see you in September!

Best,

The 5th Grade Team

***** Please note that all students need to have their personal supplies. If for any reason you are not able to obtain these supplies, please contact Mrs. Gutierrez. *****
