

MHS Connections - The International Perspectives

Below is a table that contains a list of courses selected for the International Perspectives Connection. These courses are arranged based on the graduation requirement set forth by the State. A brief description is included after each course to show how each of them is related to the international theme.

Requirements

- 20 credits in World Language (15 credits consecutive in the same World Language) from the chart below
- 10 additional International Perspectives credits from the chart below
- Must maintain a C or higher in all International Perspective Connection courses
- Capstone Project through Option 2, requires application prior to senior year
