

Boston Leadership Institute

CALL FOR APPLICATIONS - SUMMER 2019

The Boston Leadership Institute is now accepting applications for Summer 2019 STEM programs designed for high-achieving high school students. Participants engage in experimental research with faculty experts in cutting-edge areas of science. Programs are offered in fields that generate high demand STEM careers.

Programs provide:

- Hands-on, in-depth research experience that can be included in college admissions essays
- Research skills that afford students an edge in obtaining internships and research positions
- A platform to explore potential college majors and careers
- An opportunity for students to demonstrate initiative, drive, and mastery of upper level STEM subject matter

Well-equipped science labs and premier facilities provide the type of summer experience that is highly valued in college admissions. Programs take full advantage of Greater Boston locations where world-class colleges such as Harvard meet world-class biotech and medical centers to provide field trips and guest lectures. Last summer, over 500 top students were drawn to BLI competitive admissions research programs from across the country and 32 nations. Alumni now attend top-ranked universities such as MIT, Harvard, Penn, and Yale. Day or overnight options are available. Programs include:

Science

Biological Research
 Chemistry Research
 Mars Mission
 Biotech and Pharma Research
 Human Genetics
 Forensic Science
 Marine Biology

Medicine

Neuroscience & Neurosurgery
 Biomedical & Surgical Research
 Oncology Research
 Emergency Medicine
 Contagious Diseases
 Veterinary Medicine
 Genetics and Clinical Trials
 Emergency Medicine

Engineering/Tech

Biomedical Engineering
 Electronics and Robotics
 Applied Physics and Engineering
 Engineering Research

Business

STEM Entrepreneurship
